in an age in which it is increasingly necessary for nations to consider their competitiveness and at a time when the world economy is facing recession this book explores the possible trajectory of asean arguably one of the most dynamic areas in the world as a regional economic and political bloc this important and timely study focuses on the role of foreign direct investment in advancing the performance of asean and the competitiveness of its firms whereas other studies typically focus solely on the role of trade the expert contributors an interdisciplinary assembly of economists lawyers and political scientists present a comprehensive view of asean s experiences over the past decade addressing the industrial competitiveness of asean and analysing the role of mnes against the background of the challenges of integration they illustrate that regional integration will only be a success if asean s linkages are broadened with global partners through negotiations of free trade agreements the book concludes that although much still remains to be done and many promises are still to be unveiled asean s coming of age is an historic milestone competitiveness of the asean countries will appeal to a broad readership including students academics and researchers with an interest in asian studies international business international economics and international law

this important new text is the product of several years of research of the family law of fifteen commonwealth caribbean jurisdictions it is the first and only legal text that comprehensively covers all the main substantive areas of spousal family law including marriage divorce financial support property rights and domestic violence the rights of the statutory spouse in the jurisdictions of barbados belize guyana jamaica and trinidad and tobago are examined thus addressing on a jurisdictional basis an important area of spousal family that is seldom covered in english family law texts the book also covers the number and variations of divorce regimes applicable to the region the matrimonial offence divorce model of guyana and montserrat the english five fact model of trinidad and tobago dominica grenada anguilla and st vincent and the grenadines the hybrid model of antigua and barbuda belize and st kitts and nevis and the no fault model of jamaica and barbados this book will prove an indispensable resource for law students and legal academics as well as for family law practitioners across the english speaking caribbean other professionals including sociologists and social workers will also find the book useful and informative

this collection of essays assesses the efforts of african governments to constitutionalise

decentralisation be it in the form of federalism local government or traditional authorities since the end of the cold war jurisdictions across africa have witnessed an ostensible return to multi party democracy within the paradigm of constitutionalism and the rule of law linked to the democratisation process many countries took steps to decentralize power by departing from the heavily centralized systems inherited from colonial regimes the centralization of power typically characterized by the personalization and concentration of power in the hands of leaders and privileged elites in capital cities mostly resulted in repressive regimes and fragile states as decentralisation is a response to these challenges this volume analyses the dynamic relationship between the efforts to implement decentralization and presence or absence of constitutionalism this volume examines a variety of forms and degrees of decentralization found across africa it advances a new understanding of trends and patterns and facilitates the exchange of ideas among african governments and scholars about the critical role that decentralisation may play in democratization of and constitutionalism in africa

includes extraordinary sessions
